

## Hyster C1.0 - UME013929

|                               |                         |
|-------------------------------|-------------------------|
| Année                         | 2017                    |
| Heures d'ouverture            | 4155                    |
| Configuration                 | PREMIUM                 |
| Battery amperage in A         | 700                     |
| Battery brand                 | NEXSYS                  |
| Battery voltage in V          | 24                      |
| Chassis width in mm           | 1200                    |
| Forks                         | YES                     |
| Forks length in mm            | 800                     |
| Guidance                      | NONE:GUIDE ROLLERS      |
| Hydraulic functions number    | 4                       |
| In aisle control              | STOP+SLOWDOWN           |
| Lift height in mm             | 7720                    |
| Load centre in mm             | 500                     |
| Mast Overall in mm            | 3000                    |
| Type de mât                   | FFT                     |
| Operator platform width in mm | 1200                    |
| Overhead guard type           | STANDARD OVERHEAD GUARD |
| Tire type                     | VULKOLLAN               |
| Type                          | GEL                     |
| Version                       | STANDARD                |
| Weight capacity in kg         | 1000                    |
